

## Toll Brothers releases Azure at Hacienda Lakes site plan

Azure at Hacienda Lakes by Toll Brothers is a gated, master-planned community of luxury coach and single-family homes set to open in early 2017. Azure at Hacienda Lakes is situated near popular shopping and dining destinations, beaches, golf courses, and country clubs, enabling residents to enjoy Southwest Florida's lifestyle.

Toll Brothers recently released the Azure at Hacienda Lakes site plan, highlighted by Signature, Estate and Coach Collection homesites, many featuring water or preserve views.

The site plan:

At the community entrance on Rattlesnake-Hammock Road, Azure at Hacienda Lakes will feature a gatehouse surrounded by landscaping and highlighted by cascading water features. Inside the community, the residents' clubhouse will serve as a focal point, offering an array of indoor and outdoor amenities including a resort-style swimming pool, fitness center and event space.

"Azure at Hacienda Lakes will offer residents an inviting place to enjoy the terrific Southwest Florida lifestyle," said Ken Thirtyacre, president of Toll Brothers' West Florida division. "We look forward to welcoming prospective homebuyers to our newest community."

Construction is underway on five model homes and the sales center at Azure at Hacienda Lakes, which will reflect the community's West Indies theme, a design style that is new to Toll Brothers' Southwest Florida communities. The community, which will include more than 400 luxury coach and single-family homes, is east of Collier Boulevard and approximately 3½ miles south of I-75.
