New petPros in their Fast Start period (enrollment month + following 3 months) may earn bonuses for gathering New Personal Volume (New PV) from monthly sales. They can gather the following amounts of New PV in any single month of their Fast Start period and earn the corresponding bonuses. A new bonus can be earned each month of the Fast Start period when qualifications are met.

Bonuses are not cumulative but are paid at the highest amount achieved each month of the Fast Start period.

100 to 249 New PV = \$25

250 to 374 New PV = \$50

375 to 499 New PV = \$75

500 Plus New PV = \$100

Fast Start Sponsor Matching Bonuses!

Sponsors of Fast Start petPros may earn matching bonuses. Sponsors are paid to help their Fast Start petPros achieve their goals.

Sponsors can help them reach their Fast Start Selling Bonus and receive a matching sponsor bonus for themselves. To receive the matching sponsor bonus, the sponsor must have an amount equal to or greater than the amount of New Personal Volume that the Fast Start petPro who earns the bonus has. A sponsor can qualify for multiple matching bonuses when they have more than one Level 1 Fast Start petPro qualifying for a bonus and the sponsor meets all requirements for each matching bonus.

For the Sponsor:	
100 to 249 New PV = \$25	250 to 374 New PV = \$50
375 to 499 New PV = \$75	500 Plus New PV = \$100

FAQs

Fast Start Bonuses for Selling:

Q: If a Fast Start petPro earns 1,000 in NPV, do they earn double the 500 NPV bonus to \$200?

A: No, petPros may only earn the bonus one time at the highest level of achievement.

Q: What is considered NPV?

A: NPV is any personal volume gathered from a new customer for the first time. This includes volume (100 New PV) from product packs purchased by a new, personally sponsored petPro and all first-time orders for a customer who has never purchased from pawTree in the past. The first order may be a stand-alone, single order or set up as an EZ Ship order. Future EZ Ship orders and future non-EZ Ship orders count as Personal Volume but not as New Personal Volume.

Q: Can a petPro earn a Fast Start bonus every month of their Fast Start period?

A: Yes, petPros may earn bonuses each month of their Fast Start period as long as they meet the qualifications of the campaign.

Q: Are the Fast Start New PV Bonuses in addition to the standard Fast Start Rewards for title promotions?

A: Yes! All Fast Start petPros are eligible for all Fast Start Bonuses and Fast Start Rewards that they qualify for. The most lucrative version is for a Fast Start petPro to earn the Fast Start New PV Bonuses for sales + Fast Start Reward Title bonuses for promoting and sponsoring.
