FAQs

Q: Do I receive a \$100 Bonus for every increment of \$500 NPV?

A: We encourage you to get as much NPV as possible to increase your income. However, the \$100 bonus will only be paid out on the first increment of \$500 NPV.

Q: What counts as New Personal Volume (NPV)?

A: New Personal Volume is any personal volume gathered from a new customer for the first time. This includes volume from product packs of new, personally sponsored petPros. The first time an EZ Ship order is shipped to a new customer, it is also considered NPV. Future EZ ship orders and non-EZ Ship orders count as PV but not as NPV.

Q: When will this bonus be paid?

A: This bonus will be paid by September 15, 2023.

Q: If I sponsor a new petPro who has never ordered, do I get to count their personal order as NPV?

A: The order of a new petPro would be credited to that new petPro as NPV. However, you will receive NPV of 100 if they enroll with one of our three product packs.
