About USANA

USANA (NYSE: USNA) creates premium nutritional products built on one simple idea: if you feed the cells in your body exactly what they need, your health will benefit. This concept fuels our endless drive to innovate and advance the science of nutrition—putting a healthy, happy life within reach for all.

“I dream of a world free from the pain and suffering of degenerative disease. Share my vision. Love life and live it to its fullest in happiness and health.”

—Dr. Myron Wentz, visionary, scientist, philanthropist

Our Founder

USANA was founded in 1992 by Dr. Myron Wentz, an internationally recognized microbiologist and immunologist. Propelled by the premature and preventable death of his father in 1957, Dr. Wentz has spent his entire adult life seeking to create the most advanced dietary supplements science can produce. Prior to USANA, Dr. Wentz founded Gull Laboratories in 1974 and is well known for creating the first commercially available diagnostic test for the Epstein-Barr virus.

Quality Standards

USANA's manufacturing facilities operate at pharmaceutical-level Good Manufacturing Practices (GMP)—above and beyond what is required by law for dietary supplements. We rigorously test our products and strictly adhere to procedures and documentation not followed by other supplement companies. We also create, test, produce, and store the majority of our products at our state-of-the-art facility in Salt Lake City, Utah.

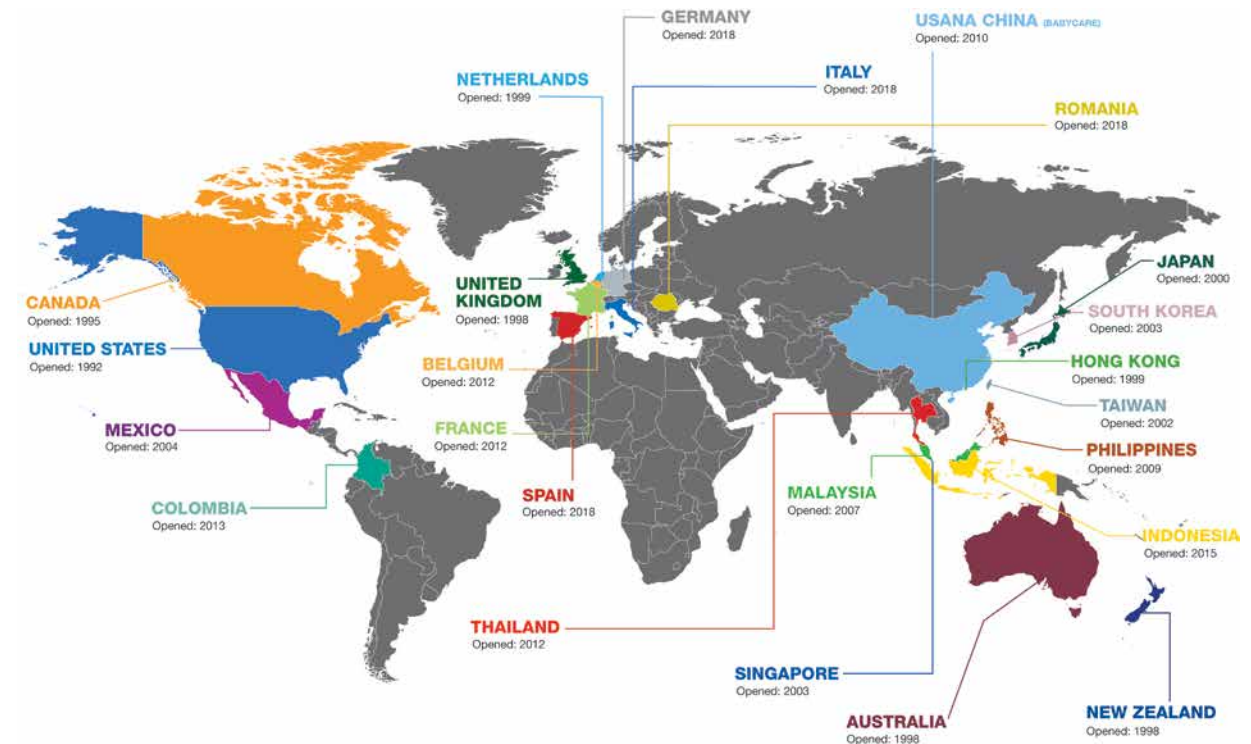

USANA is committed to the highest standards of product design and manufacturing, and we guarantee the potency of every nutritional product we sell.

International Business

USANA operates in 24 diverse markets around the world, meaning you can influence people all over the globe as you grow your own international business.

USANA Athletes

Thousands of elite athletes all over the world trust their health to USANA—more than any other supplement company.

Major partnerships include:

- Women's Tennis Association (WTA)
- U.S. Ski and Snowboard
- Speed Skating Canada
- Club Atlético Nacional S.A.
- Great Britain Short Track Speed Skating
- AFC Bournemouth
- China's General Administration of Sports Training Bureau (sponsored by BabyCare, USANA's wholly-owned subsidiary in China)

Sanoviv

In 2000, Myron Wentz, PhD, opened Sanoviv Medical Institute, a cutting-edge medical facility located in Rosarito, Mexico, just south of San Diego, California. Sanoviv offers state-of-the-art technology with an integrative approach to healing, as well as affordable educational programs for USANA Associates. For more information, visit sanoviv.com.

USANA Shines Under the Oz Spotlight

It takes a lot of time, effort, and the slow, steady building of trust to become a top influencer on the subjects of health and nutrition—especially in the eyes of the critical public. So when *The Dr. Oz Show* decided to make USANA, a direct selling nutritional supplement company, a **Trusted Partner and Sponsor** of the show, they had to be sure the relationship was right.

USANA first began working with Dr. Oz through his charitable foundation, HealthCorps.

This mutual dedication to health opened the door for their unique **Trusted Partnership and Sponsorship**, which has in turn created even more opportunities for both *The Dr. Oz Show* and USANA to continue educating the public on health and healthy, high-quality supplementation.

The Dr. Oz Show has impacted millions of lives, sharing the latest information about health and wellness with people in more than 118 countries around the globe.

USANA True Health Foundation

The USANA True Health Foundation's mission is to ensure impoverished children and families reach their fullest potential by providing food and nutrition to help them build sustainable communities. USANA covers all costs associated with the functioning of this Foundation, so every dollar received goes directly to those who need it most. Learn more at USANAFoundation.org.

Building a Foundation for Health

Every day, your body produces billions of new cells. They take in nutrients, grow, and duplicate. Providing optimal nutrition for these cells is essential to your health.

Micronutrients—vitamins and minerals—are vital. **Vitamins** are essential for normal metabolism, healthy growth, and development. **Minerals** help build strong bones and teeth, and they are essential components of enzymes and enzyme systems. They also support immunity, regulate metabolism, and aid digestion.

Additionally, your body requires a healthy balance between oxidation and anti-oxidation to maintain your health. All day long your cells are being assaulted by free radicals. These harmful molecules can come from our diet, our environment, and even from inside our own body. Free radicals cause oxidative stress, which can exacerbate the aging process.

Diet and nutrition are important factors in the maintenance of good health, but as healthy dietary choices decline, so does your body's natural ability to perform at its optimal level.

Adding high-quality vitamin and mineral supplements and antioxidants to your balanced diet and exercise are your best bet in the battle against excessive oxidative stress. They quench free radicals—this means they neutralize them and keep them from doing further harm to your cells—and are the easiest way to support your health.

Your Body Is in a Constant State of Flux

Your cells and tissues are continually rebuilding, renewing, and regenerating. They need vitamins and minerals to support these processes for many important reasons:

- Your entire blood supply is renewed every three to four months.
- The majority of the proteins in your body are replaced every six months.
- Almost your entire skeleton—which we usually think of as permanent—is renewed/remodeled about every 10 years.

Unique Innovations

- **USANA InCelligence®:** Delivers key nutrients that speak your cells' language to activate your body's natural ability to respond to stress, promoting normal, healthy aging processes.
- **Hybrid Technology:** State-of-the-art approach featuring bilayer tableting, allowing previously distinct products to be joined into a single formula.
- **Olivol™:** U.S.-patented extract that contains antioxidant polyphenols derived exclusively from olives.
- **Poly C®:** Patented blend of mineral ascorbates that provide better bioavailability than ascorbic acid alone.

Research and Development

USANA employs and relies on more than 60 scientists—nutritional biochemists, molecular and cellular biologists, pharmacists, and sports science experts—to research and develop products based on the latest nutritional scientific discoveries. They work in state-of-the-art laboratories, testing, studying, and continually improving our product line.

Research Partners

Extensive research goes into USANA's products, and to create cutting-edge nutritionals, our in-house scientists have collaborated with these—and other—distinguished institutions.

Health Begins at the Cellular Level

USANA offers a variety of nutritional products formulated to support the health of your cells, where true health begins.

Creating Opportunity

The Industry

Over 100 million people around the world are currently in the direct selling industry. In 2017, the industry added an estimated US \$189.6 billion to the global economy, which shows more people than ever are starting their own businesses and taking control of their lives.

Be Your Own Boss

With USANA, you have the power to create a business where your success depends entirely on you. You are the boss. You work on your own time—as much or as little as you want—and you make money by sharing what you love. You're in charge, but you're not alone. You'll have access to a supportive network that provides tools, training, and expertise so you can succeed.

Be Part of a Community

There are thousands of USANA Associates around the globe who have a common goal in mind—to make a difference. You're surrounded by other individuals who are passionate about health and committed to service. We call it the USANA family.

Be Courageous

Life begins right outside your comfort zone. Explore new talents. Challenge yourself. Do something different. Decide to open yourself up to new possibilities and potential. As you develop your business, you'll become more confident, and you'll see the impact you are making in the lives of others.

Create a Legacy

With USANA, you get to be a part of something bigger than yourself. You play a vital part in making a real difference in your life, the lives of those around you, and the lives of people around the world. And if you have a goal to become a legacy business owner, USANA gives you an opportunity to build a business that outlives you as you pass your success on to the next generation.

Seven Ways To Earn Income With USANA

RETAIL SALES

Earn profits on the difference between the Preferred Price and retail price.*

WEEKLY COMMISSIONS

Earn a starting commission of up to 20 per cent from your own sales and the sales volume of your team.

CELAVIVE BONUS

Earn a 25 per cent bonus of the tax-exclusive sales price for all Celavive products sold to personally sponsored Preferred Customers on their initial order of Celavive products.**

LIFETIME MATCHING BONUS

Receive up to a 15 per cent match of their commission volume from personally sponsored Premier Platinum PaceSetters for the life of their USANA businesses.

INCENTIVES

Be rewarded with luxury travel, prizes, and even cash through generous incentive programs.

LEADERSHIP BONUS

Participate in a 3 per cent worldwide weekly bonus pool.

ELITE BONUS

Be one of USANA's top income earners and receive a portion of a quarterly US \$2,000,000 bonus.†

Visit usanaincome.com to learn more about the average income of USANA Associates.

Understanding Your USANA Business

► STEP 1: SIGN UP & OPEN YOUR BUSINESS CENTRE(S)

Once you've signed your Associate Agreement and purchased a Welcome Kit, you'll become a USANA Associate. To qualify for commissions, start to generate Sales Volume Points through the products you purchase for personal use and products you sell to your customers. You can activate one or three Business Centres with these sales.

► STEP 2: SHARE USANA

The amount you earn will be in direct proportion to your ability to share USANA's wellness products with others. Your earning potential also depends on your ability to build a team of Associates who, like you, share USANA products with others and build strong teams of their own.

Your USANA business is based on a binary compensation plan, which means you'll begin building your business with a right and a left side. You'll earn weekly commissions based on the amount of sales you and your team generate on each side (Group Sales Volume). This includes sales from Associates to retail customers, sales for personal use by Associates, and sales from Preferred Customers.

†Elite Bonus varies each quarter. In 2017, the total payout averaged close to US \$2,000,000 per quarter.

*Retail sales not permitted in Italy.

**Sales Volume Points (SVP) on this initial Celavive order do not accumulate or roll up the sales organization of the sponsoring Associate. You do not have to be commission-qualified to participate in this bonus incentive. Sales volume on all other orders of Celavive to Associates and additional Celavive orders to Preferred Customers will accumulate in line with the current USANA compensation plan.

The earnings portrayed in this literature are not necessarily representative of the income, if any, that a USANA Associate can or will earn through his or her participation in the USANA compensation plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation of guarantee of earnings would be misleading. Success with USANA results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend on how effectively you exercise these qualities.

Visit usanaincome.com to learn more about the average income of USANA Associates.

► **STEP 3:**
MAKE THE MOST OF IT

You can leverage the income you make through your USANA business in a number of ways:

**\$\$ DOUBLE YOUR EARNING POTENTIAL
BY OPENING THREE BUSINESS CENTRES**

The Group Sales Volume in your second and third Business Centres rolls up to your first Business Centre, doubling your earning potential.

↻ ROLLOVER

You are paid out each week on the Group Sales Volume that is matched on both your left and right sides (starting at 125).* The rest becomes rollover for your next cheque.

+ ADDITIONAL BUSINESS CENTRES

When you maximize a Business Centre by accumulating 5,000 points in Group Sales Volume during one week, you can earn an additional Business Centre. You can earn up to two additional Business Centres for each initial Business Centre.

Maximize a Business Centre: Accumulate 5,000 points in Group Sales Volume, current and rollover, in both of your Business Centres' sides in a single week.

*Once a Business Centre is maxed, unmatched Group Sales Volume points will continue to roll over each week, up to 5,000 points.

USANA Compensation Plan

As an Associate, when you successfully share USANA, you get paid for your efforts. Here's a simple breakdown of how you can earn income.

BUSINESS CENTRE

Think of this as your storefront—where your business is located. Because your USANA business is based on a binary compensation plan, you'll build your business with a left and right side.

POINTS

Each USANA product has a point value. These points accumulate to your overall volume when the product is sold to your customers or purchased for your personal consumption, which determines your commission.

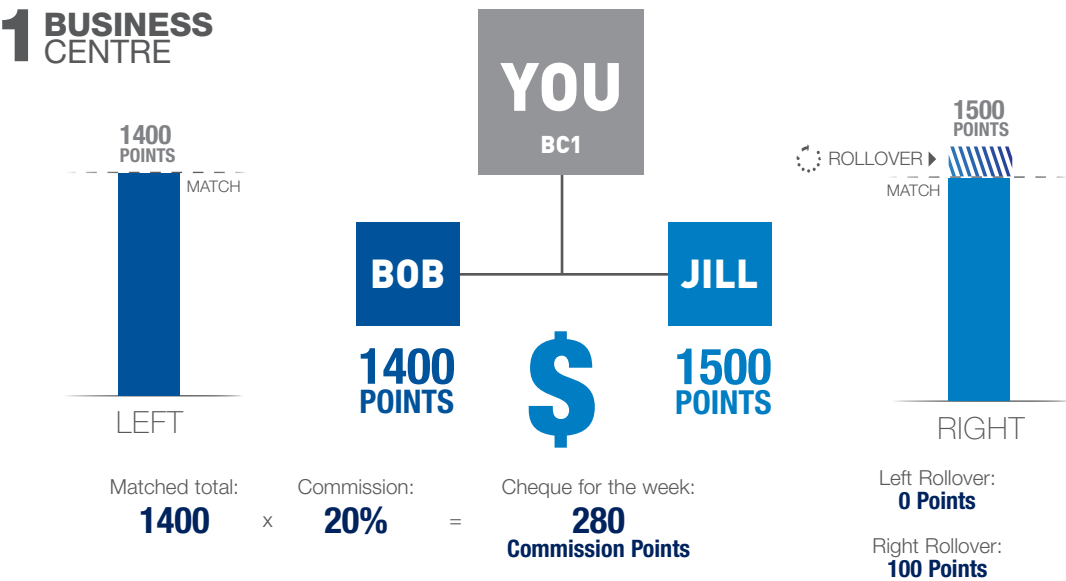

100 SV PTS.

GROUP SALES VOLUME

The cumulative volume of sales (in points) you and your team earn. This is tallied every week. This includes sales from Associates to retail customers, sales for personal use by Associates, and sales from Preferred Customers (the people who buy products at a Preferred Price but aren't eligible to earn commissions).

100 PTS. + 100 PTS. + 100 PTS. + 100 PTS. = 400 GSV

The earnings portrayed in this literature are not necessarily representative of the income, if any, that a USANA Associate can or will earn through his or her participation in the USANA compensation plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation of guarantee of earnings would be misleading. Success with USANA results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend on how effectively you exercise these qualities. Visit usanaincome.com to learn more about the average income of USANA Associates.

HOW YOU GET PAID

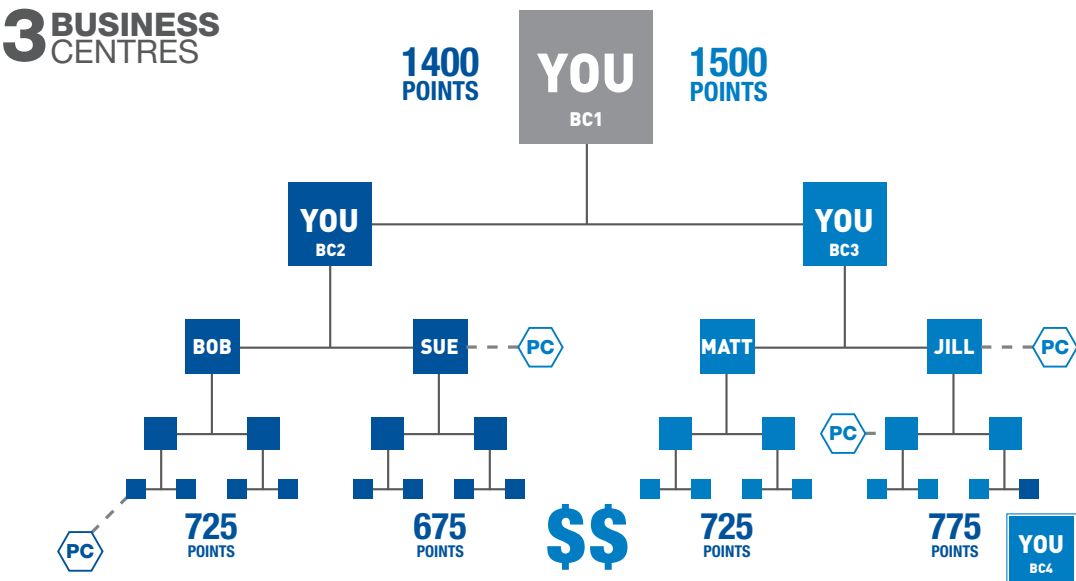

You'll earn a commission based on where the Group Sales Volume on the left and right sides of your Business Centre match. Find where the Group Sales Volume on your left side matches your right side, and multiply it by 20 per cent (or .2). This total equals your Commission Volume Points for the week. Points are converted into your country's currency. In the United States, one point is equal to one dollar.*

*As long as you are commission-qualified and in compliance with your Associate agreement.

POTENTIAL WEEKLY INCOME BASED ON YOUR EFFORTS

This chart shows a few examples to help you visualize the potential growth of your USANA business.

LEFT GROUP SALES VOLUME	RIGHT GROUP SALES VOLUME	MATCHED VOLUME	COMMISSION POINTS
125	150	125	25
350	425	350	70
675	547	547	110
1,000	1,500	1,000	200
2,500	2,750	2,500	500
4,457	4,780	4,457	892
5,000	5,400	5,000	1,000

REWARD YOURSELF WITH USANA

On top of weekly commission cheques simply for sharing USANA with others, you can be rewarded with luxurious travel incentives, awards, and exclusive training opportunities.

And luxury isn't reserved just for those at the top of the ladder. We believe in rewarding those who are growing their USANA businesses and truly living the USANA lifestyle. Those who excel are rewarded with incredible business training in addition to opportunities to travel the globe.
