

Football and food: Find the right place to spend fall weekends

The celebratory touchdown shots have been prepped. The wings have been ordered. The pizzas and nachos and beers (and beers and beers) are ready to roll.

To help you find just the right place to spend your fall weekends, we scoured sports bars from Estero to Naples. We asked them the important questions: What college and NFL fans regularly meet there? How many TVs do you have? Do you play sound?

Use this guide to help plot out your fall football ritual.
