

## MEET OUR DERMATOLOGIST

# *Dr. Jennifer Lee*

---

**DR. JENNIFER LEE** is a board-certified dermatologist and diplomate of the American Board of Dermatology. She specializes in the diagnosis and management of skin diseases. She received her medical training at the nation's top institutions, including Harvard Medical School. Dr. Lee now serves as the medical director of REN Dermatology and maintains her status as clinical assistant professor at Vanderbilt University Medical Center.

### AS A WELL-KNOWN EXPERT

in the skincare industry, Dr. Lee couldn't be more excited for **USANA® CELAVIVE™** and the opportunity to become a part of the USANA family.

---

*“USANA’s commitment to science and research is definitely something that stands out to me. I’m thrilled to be able to share the message of Celavive—products formulated with not only advanced **InCelligence® technology**, but also a multitude of other incredible skincare ingredients. Being able to team up with hundreds of thousands of USANA Associates and brand advocates is really exciting!”*
