

# WINTER CHECKLIST

**BERKSHIRE  
HATHAWAY**  
HOMESERVICES

**RW TOWNE  
REALTY**

Stay warm and secure during winter with this checklist. It covers essential tasks such as heating system maintenance, winterizing your property, ensuring interior coziness, and promoting fire safety.

## HEATING SYSTEM

- Service and maintain the heating system for optimal performance.
- Replace filters and clean vents to ensure proper air circulation.
- Consider adding insulation to walls and attics for improved energy efficiency.

## INTERIOR COZINESS

- Check and replace weatherstripping on doors and windows.
- Use draft stoppers or door sweeps to keep cold air out.
- Insulate windows with thermal curtains or window film.

## FIRE SAFETY

- Test smoke detectors and replace batteries.
- Keep flammable items away from heat sources.
- Have fire extinguishers readily accessible in key areas.

## WINTERIZING

- Protect pipes from freezing by insulating them & disconnecting hoses.
- Clear snow and ice from driveways & walkways regularly.
- Maintain adequate levels of salt or ice melt for safety.

## HOLIDAY DECOR

- Decorate the home with festive lighting and ornaments.
- Ensure all holiday decorations meet safety standards.
- Remove decorations promptly after the holiday season.
