Q.
What habits helped you reach
this level of success?

A:
Organization. I spend part of
each morning outlining my day,
week, and month and build
pawTree into that process. At the
same time though, I like to think
my teammates know I am
available to them 24-7. Also, I
am always adding to my contact
list. I am by nature an introvert,
but it's amazing how many
people you meet or learn of
throughout your daily activities.

Q.
What does your dog love
most about pawTree?

A:
My dog, Ramone, eschews
"other" treats from anyone
who offers and is a picky
eater. He'll accept a
pawTreat from anyone! He
can hear the bag open.
Salmon oil and Skin Support
are always nearby.

IN THE SPOTLIGHT

Q.

What inspired you to start your pawTree business?

A:

I was at a point in my life and career where I wanted to try something new and challenge myself. I had never done social selling or even considered it, but when I learned about pawTree the opportunity to supplement my income helping pets was a perfect fit.

Q.

Any advice for new petPros getting started?

A:

Never give up. Seek out help and advice from others. No such thing as a stupid question. Never give up. Getting a "no" is okay. Never give up. Take advantage of all the resources and support pawTree offers petPros.
